Past performance is not a guide to the future. The price of investments and the income from them may fall as well as rise and investors may not get back the full amount invested.

Trust objective

The company was launched in 2021, with an investment objective to deliver an attractive level of capital growth by investing, directly or in directly, in a diversified portfolio of hydrogen and complementary hydrogen focussed assets whilst integrating core ESG principles into its decision making and ownership process. The Company is an Article 9 climate impact fund under the Sustainable Finance Disclosure Regulation.

Proposed change of investment policy

The Company is proposing to adopt a managed realisation policy as further described in the [circular to Shareholders](#) published on 29 October 2025, with notice to convene a general meeting of the Company on 1 December 2025 ("GM") to seek shareholder approval for, inter alia, a change of investment policy to that of a realisation strategy. The Directors and the Company's largest shareholder, Ineos Energy intend to vote in favour of the relevant resolutions at the GM.
